VOTE LARRY SCHUELKE
FOR MIDLAND COUNTY COMMISSIONER
ON OR BEFORE TUESDAY, NOVEMBER 5TH

Larry Schuelke is one of us ...

Larry is a proud father and husband, deeply rooted in our community. Larry and his wife live in Homer Township and are active members of the Christian Celebration Center.

***And we can trust Larry Schuelke to move our
community forward ...***

Larry grew up on a farm where he learned common-sense knowledge that he later applied to his job as a project manager for Dow Corning. As county commissioner, he will use that experience to improve communication and exercise fiscal restraint.

***Without sacrificing the qualities that make Midland
County a great place to live, work, and raise a family.***

Friendliness between neighbors. Safety in our community. These are the things Larry likes about Midland County and is committed to preserving the charm we've come to love.
