Jeanette Snyder is a qualified leader.

She's served on the board for eight years and is running for her fifth term as county commissioner. Jeanette built a career at Dow Chemical Company where she worked in teaching and training positions.

Jeanette Snyder is for our community.

Since day one, Jeanette's platform has been serving our community and making sure every voice is heard. She worked tirelessly to assist the Jerome Fire Department in securing a crucial grant and saving the barn that would become the Tomlinson Barn Education Center.

Jeanette Snyder is a champion for dam restoration.

She knows rebuilding the destroyed dams is our path forward and has advocated for restoring our lakes. She will see dam reconstruction through to completion and protect our community's natural beauty.
